Amendment 3 for RFP Number 3777 is hereby amended as follows:

1. Section VII Technical Specifications, Item 5.4 – 5.4.2 are being modified to read:

~~5.4~~ 5.4 The Vendors must respond to each specification in Section VII, Technical Specifications with a narrative description. The description must include the following:

~~5.4.1~~ 5.4.1 A description of the methodology to be followed in accomplishing each requirement, in order to demonstrate the Vendors understanding of this RFP.

~~5.4.2~~ 5.4.2 Information about past performance results for similar work in a Medicaid environment; lessons learned from those projects and how they will be applied to this project.

2. Question 56: Section VII, Item 7.5.1

Per section 7.5, does the State request that the response include pricing and a solution for on premise AND/OR state hosted, or may the respondent select the best choice for the proposed solution and architecture, and therefore propose only one approach and pricing?

3. Response: **The respondent may select the best choice for the proposed solution and architecture, and therefore propose only one approach and pricing. A Standard Software License and Application Service Provider Agreement is being drafted and will be posted at a later date—Vendors must clearly define exceptions to the standard contract to address those situations where the Vendor hosts the proposed solution.**

RFP responses are due November 20, 2015, at 3:00 p.m. (Central Time).
