Project Overview

Meet goals of House Bill 1090: to provide a common fraud and abuse platform that shall perform enhanced eligibility verification, identity authentication and verification, asset verification, and fraud detection and prevention; and integrate asset verification into the eligibility systems of both agencies

- Make use of "smart" vendor data retrieval, data sharing, ability to expand with more agencies and data sources
- Some data sources may be provided by the state although new sources may be needed to meet HB1090 requirements
- Must show a positive cost-benefit with data identified resulting in savings
- Fraud Detection Plan
- Project timeline

Health and Human Services Transformation Project Components

- Enterprise Service Bus (ESB) – Provides real-time, standards-based connectivity and communicates between all modules
- ***Fraud and Abuse Module (FAM)*** – Provides real-time enhanced eligibility verification
- Common Web Portal (CWP) – Central, shared portal with ability for beneficiaries to apply for benefits, check status of benefits and submit changes (MSI)
- Master Client Index (MCI) – Provides the source for all clients in all programs and agencies involved in the HHSTP *(currently in procurement phase)*
- New MEDS – Medicaid Eligibility Determination System (Conduent)
- MAVERICS – MDHS eligibility and case management system (MDHS)
- CARS – MDHS clerk's system, used to perform case registration and other tasks (MDHS)
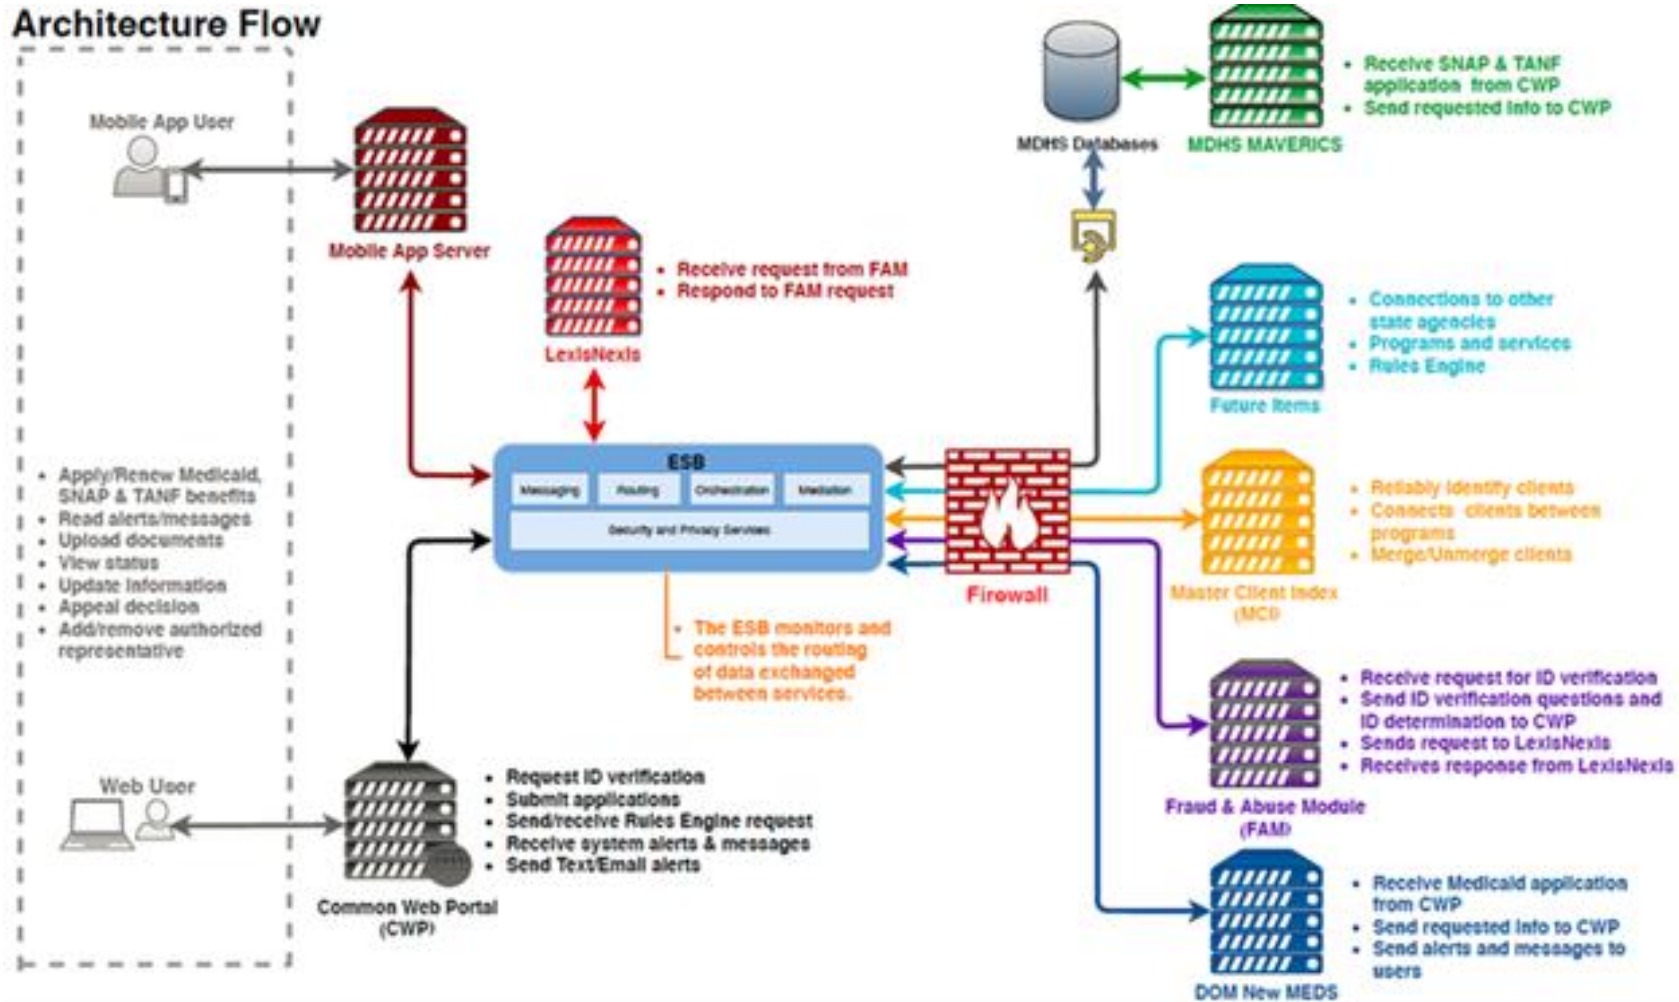

Procurement Guidelines

- Proposal: 1 original, 8 copies, and an electronic, searchable PDF copy
- Submission Cover Sheet (Section I)
- Performance bond will be required (Section IV. No. 38) and the price of the bond must be included as a line item on the Cost Information Submission Form (Section VIII)
- Proposal Exceptions (Section V)
- Response to RFP Questionnaire (Section VI)
- Point-by-Point Response (Section VII including Attachment A as specified in item No. 19, specifically Items 19.2 and 19.3)

- References (Section IX)
- Exhibit A – Software Development and Hosting Agreement/Attachments
  - Vendors must review these documents and if necessary, take exception.
  - If a Vendor takes no exception to Exhibit A/Attachments, the state assumes that these terms are agreeable and cannot be negotiated after award.

Cost Information Submission

Costs must be submitted in the format provided in *Section VIII, Cost Information Submission.*

- Vendors may customize the table format, but the cost submission must display a total first year lifecycle cost, which includes maintenance, a total lifecycle cost for years two through five, and a total five year lifecycle cost.
- Vendors cannot change costs after the proposals have been submitted.
- Vendors are required to provide a fully loaded hourly change order rate and a blended hourly change order rate on the Cost Information Submission form.
- Vendors should include the price of acquiring a Performance Bond, to be paid for by the State.
- Any cost not listed in this section may result in the Vendor providing those products or services at no charge to the State or face disqualification.
