The following questions were submitted to ITS and are being presented as they were submitted, except to remove any reference to a specific vendor. This information should assist you in formulating your response.

Question 1: The pricing sheet, (Attachment A) Page 17 of 43, first table, IFB 4226, in the description Pricing – one-year manufacturer warranty. However, on page of 43 (Attachment A) III., it says MSDH will set a five-year manufacturer standard for livescan of fingerprints. Thus, should we quote a one-year warranty on the livescans, or a five-year warranty?

Response: **Vendors should include a one-year manufacturer warranty as requested. By setting a standard, MSDH will be able to purchase a specific brand (manufacturer) of livescan devices for five years.**

Question 2: What is the required fidelity surety bond amount required in (Attachment E) Page 38 of 43 in Article 23, Insurance?

Response: **The fidelity surety bond should be in the amount of one million dollars (\$1,000,000.00).**

RFP responses are due August 20, 2019, at 3:00 p.m. (Central Time).
