

**EXHIBIT A  
REVISED STANDARD CONTRACT**

A properly executed contract is a requirement of this RFP. After an award has been made, it will be necessary for the winning Vendor to execute a contract with ITS. The inclusion of this contract does not preclude ITS from, at its sole discretion, negotiating additional terms and conditions with the selected Vendor(s) specific to the projects covered by this RFP.

If Vendor cannot comply with any term or condition of this Standard Contract, Vendor must list and explain each specific exception on the *Proposal Exception Summary Form* included in Section V.

The use of a sample Software as a Service agreement in this RFP does not indicate that other projects types will be excluded from consideration, nor does it suggest that Software as a Service will be preferred. The sample agreement is provided for illustrative purposes only to provide potential vendors examples of the general terms and conditions that will be included in a contract resulting from this RFP.

incomplete work, and the Licensor shall remain responsible and liable for full performance in strict compliance with the contract documents specified in the article herein titled "Entire Agreement."

**6.3** Acceptance by the Licensor of the last payment due from MDCPS under this Agreement shall operate as a release of all claims for money against the State by the Licensor and any subcontractors or other persons supplying labor or materials used in the performance of the work under this Agreement.

## **ARTICLE 7 WARRANTY**

**7.1** Licensor represents and warrants that it has the right to license the Applications provided under this Agreement.

**7.2** Licensor represents and warrants that the Applications provided by Licensor shall meet or exceed the minimum specifications set forth in RFP No. 4236 and Licensor's Proposal, as accepted by the State, in response thereto.

**7.3** During the term of this Agreement, the Licensor represents and warrants that all deliverables shall be free from any defect, deficiency, faultiness, imperfection, inadequacy, incompleteness or other condition (collectively referred to herein as "Defect") which would render any such deliverable inoperable in any way or which would prevent full performance in accordance with this Agreement. This warranty includes, without limitation, correction of errors, design deficiencies, performance deficiencies, and incorrect or defective Documentation, including those found during acceptance testing, implementation, and the warranty period. Acceptance testing shall not in any way relieve the Licensor of its responsibilities to correct any Defect during the warranty period. The Licensor shall repair any Defect at no cost to the State within ten (10) business days of receiving notice of the Defect from the State, unless MDCPS consents in writing to a longer period of repair time. In the event Licensor is unable to repair or replace the Application within the mutually agreed upon time frame after receipt of notice of the Defect, MDCPS shall be entitled to a full refund of fees paid and shall have the right to terminate this Agreement in whole or in part as provided for in the Termination Article herein. Licensee's rights hereunder are in addition to any other rights Licensee may have.

**7.4** During the term of this Agreement, the Licensor represents and warrants that its Services hereunder shall be performed by competent personnel and shall be of professional quality consistent with generally accepted industry standards for the performance of such Services and shall comply in all respects with the requirements of this Agreement. For any breach of this warranty, Licensor shall perform the Services again, at no cost to the State, or if Licensor is unable to perform the Services as warranted, Licensor shall reimburse the State the fees paid to Licensor for the unsatisfactory Services.

**7.5** Licensor represents and warrants that the Application shall not contain a disabling code, lockup program or device. Licensor further agrees that it will not, under any circumstances including enforcement of a valid contract right, (a) install or trigger a lockup program or device, or (b) take any step which would in any manner interfere with Licensee's licensed use of the Applications and/or which would restrict Licensee from accessing its data files or in any way interfere with the transaction of Licensee's business. For any breach of this warranty, Licensor at its expense shall, within ten (10) business days after receipt of notification of the breach, remove any such disabling code, lockup program or device.

**7.6** Licensor represents and warrants that it has tested and will test (not less than on a daily basis) the Applications using commercially reasonable methods to ensure that the Applications

provided to MDCPS do not and will not contain or incorporate any computer code, programs, procedures, mechanisms or programming devices (including but not limited to, viruses, trojan horses, or worms) that are designed to, or would enable Licensor or any third-party to, disrupt, modify, delete, damage, deactivate, disable, harm or otherwise impede the operation of the Licensor's system, or any other associated software, firmware, hardware, computer system or network, including MDCPS' applications and MDCPS' Content. For any breach of this warranty, Licensor at its expense shall, within five (5) business days after receipt of notification of the breach, be responsible for repairing, at Licensor's expense, any and all damage done by the virus or such to MDCPS' applications and MDCPS' Content.

**7.7** Licensor represents and warrants that the CCWIS provided by the Licensor shall be reasonably expandable and scalable so MDCPS can add and support additional business functions and users over time. It is understood and agreed that any standard revisions, enhancements, improvements, and upgrades to the Applications and host site equipment during the term of this Agreement, including operating system, database management system, and other software, shall be provided by Licensor to MDCPS at no additional cost to MDCPS.

**7.8** Licensor represents and warrants that it presently has and will continue to maintain, at its own expense, throughout the term of this Agreement, valid licenses for all software, trademarks, service marks, patents and copyrighted material and any other proprietary information of a third party that it will deploy in support of all products Licensor uses in the performance of this Agreement.

**7.9** If applicable under the given circumstances, Licensor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq. of the Mississippi Code Annotated (Supp2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Licensor agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security where required, to provide a copy of each such verification to the State. Licensor further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Licensor understands and agrees that any breach of these warranties may subject Licensor to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Licensor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Licensor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

**7.10** Licensor represents and warrants that the system provided pursuant to this Agreement will pass both internal security audits and independent security audits. For any breach of the preceding warranty at any time during which the system is covered by warranty and/or software support, Licensor shall, at its own expense and at no cost to Licensee, remediate any defect, anomaly or security vulnerability in the system by repairing and/or replacing any and all components of the system necessary in order for the system to be secure.

**7.11** Licensor represents and warrants that no official or employee of Licensee or of ITS, and no other public official of the State of Mississippi who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the project shall, prior to the completion of said project, voluntarily acquire any personal interest, direct or indirect, in this Agreement. The Licensor warrants that it has removed any material conflict of interest prior to the signing of this Agreement, and that it shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its responsibilities under this Agreement. The Licensor also warrants that in the performance of this Agreement no person having any such known interests shall be employed.

**7.12** The Licensor represents and warrants that no elected or appointed officer or other employee of the State of Mississippi, nor any member of or delegate to Congress has or shall benefit financially or materially from this Agreement. No individual employed by the State of Mississippi shall be admitted to any share or part of the Agreement or to any benefit that may arise therefrom. The State of Mississippi may, by written notice to the Licensor, terminate the right of the Licensor to proceed under this Agreement if it is found, after notice and hearing by the ITS Executive Director or his/her designee, that gratuities in the form of entertainment, gifts, jobs, or otherwise were offered or given by the Licensor to any officer or employee of the State of Mississippi with a view toward securing this Agreement or securing favorable treatment with respect to the award, or amending or making of any determinations with respect to the performing of such contract, provided that the existence of the facts upon which the ITS Executive Director makes such findings shall be in issue and may be reviewed in any competent court. In the event this Agreement is terminated under this article, the State of Mississippi shall be entitled to pursue the same remedies against the Licensor as it would pursue in the event of a breach of contract by the Licensor, including punitive damages, in addition to any other damages to which it may be entitled at law or in equity.

**7.13** Licensor will not knowingly (a) introduce into the Services any virus or other code or routine intended to disrupt or damage the Services, or alter, damage, delete, retrieve or record information about the Services or its users; (b) use the Content for any purpose other than needed to provide the Services to MDCPS hereunder; or (c) otherwise act in a fraudulent, malicious or negligent manner when providing the Services.

**7.14** Licensor represents and warrants that it will comply with all of the requirements defined in IRS Publication 1075 and the provisions as set forth in Exhibit B which is attached to Agreement and incorporated herein by reference.

## **ARTICLE 8 INFRINGEMENT INDEMNIFICATION**

**8.1** Licensor represents and warrants, to the best of its knowledge, that neither the Applications and Services provided to MDCPS under this Agreement nor their use by MDCPS will violate or infringe on any copyright, patent, trade secret or other proprietary right of any person or entity. Licensor, at its own expense, shall defend or settle any and all infringement actions filed against Licensor or MDCPS which involve the Applications, Services or other items provided under this Agreement and shall pay all costs, attorney fees, damages and judgment finally awarded against MDCPS provided that: (a) MDCPS notifies Licensor in writing of any such claim of which it has knowledge; (b) Licensor has, to the extent authorized by Mississippi law, sole control of the defense of any actions or negotiations related to the defense or settlement of any such claim, and (c) MDCPS cooperates in the defense of the claim by supplying Licensor all relevant information currently available and in its possession, all at Licensor's expense. In no event shall the State compromise, settle or adversely impact the defense of any actions or

negotiations without the prior, written consent of Licensor. Further, in no event shall Licensor compromise or settle any such actions or negotiations without the prior written consent of MDCPS if such compromise or settlement would create an obligation or liability upon MDCPS or the State. If, in any such suit arising from such claim, the continued use of the items for the purpose intended is enjoined or threatened to be enjoined by any court of competent jurisdiction, Licensor shall, at its expense: (a) first procure for MDCPS the right to continue using such Applications or Services, or upon failing to procure such right; (b) modify or replace them with non-infringing items with equivalent functionality, or upon failing to secure either such right at Licensor's reasonable expense, (c) issue a pro-rata refund to MDCPS for the fees previously paid by MDCPS for the infringing Applications and Services MDCPS may no longer use. Said refund shall be paid within ten (10) business days of notice to MDCPS to discontinue said use.

**8.2** Licensor shall have no obligation for infringement claims caused by: (a) an unauthorized modification of the Applications or Service by MDCPS or a third party; (b) use of the Service other than in accordance with the Documentation for the Service or as authorized herein; (c) use of the Services in conjunction with any data, equipment or software not provided by Licensor where the Services would not otherwise be infringing except for such combination; or (d) use of the Services or Application by MDCPS other than in accordance with this Agreement.

## **ARTICLE 9 DATA SECURITY**

**9.1** As part of the Services, Licensor shall provide administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of MDCPS Content. Licensor agrees to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under this Agreement.

**9.2** Prior to initiation of the Services under this Agreement and on an ongoing basis thereafter, MDCPS agrees to provide notice to Licensor of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to MDCPS' industry and which could be imposed on Licensor as a result of provision of the Services. MDCPS will ensure that: (a) the transfer to Licensor and storage of any PHI or PII by Licensor is permitted under applicable data protection laws and regulations; and, (b) MDCPS will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

**9.3** Licensor shall maintain a hosting environment that undergoes examinations from an independent auditor in accordance with the American Institute of Certified Public Accounts SSAE 16 (i.e. SOC 1) and the AICPA Trust Services Principles Section 100a, Trust Services for Security, Availability, Processing Integrity, Confidentiality and Privacy (i.e. SOC 2). Licensor's private cloud shall be evaluated for the principles of Security, Availability and Confidentiality by the independent auditor. The data center in which Licensor's private cloud is located shall undergo pertinent security examinations. Management access to Licensor's private cloud shall be limited to Licensor's authorized support staff and MDCPS' authorized staff. The Applications shall provide MDCPS with the ability to configure application security and logical access per MDCPS' business processes. In the event MDCPS identifies a security issue, MDCPS will notify Licensor.

**9.4** At a minimum, Licensor's safeguards for the protection of PHI and PII shall include: (i) limiting access of PHI and PII to authorized employees; (ii) securing business facilities, data centers, paper files, servers, back-up systems and computing equipment, including, but not limited to, all mobile devices and other equipment with information storage capability; (iii) implementing network, device application, database and platform security; (iv) securing information transmission, storage and disposal; (v) implementing authentication and access controls within media, applications, operating systems and equipment; (vi) encrypting PII and PHI

stored on any mobile media; (vii) encrypting PII and PHI transmitted over public or wireless networks; (viii) strictly segregating PII and PHI from information of Licensor or its other customers so that PII and PHI is not commingled with any other types of information; (ix) implementing appropriate personnel security and integrity procedures and practices, including, but not limited to, conducting background checks consistent with applicable law; and (x) providing appropriate privacy and information security training to Licensor's employees. Any and all subcontractors shall adhere to the aforementioned protection and encryption (in transit and at rest) of PHI and PII, as well as follow the stated breach policy.

**9.5** Licensor will comply with all applicable federal and state laws to resolve security breaches, and, to the extent Licensor is responsible for such security breaches, will cover the cost of remedial measures as required by such laws and otherwise consistent with this Agreement. MDCPS may seek equitable relief including a restraining order, injunctive relief, specific performance, and such other relief that may be available from a court in addition to any other remedy to which MDCPS may be entitled at law or in equity. Such remedies shall not be deemed to be exclusive but shall be in addition to all other remedies available at law or in equity.

**9.6** At any time during the term of this Agreement at MDCPS' request or upon the termination or expiration of this Agreement for any reason, Licensor shall promptly return to MDCPS all copies, whether in written, electronic or other form or media, of PHI and PII in its possession, or securely dispose of all such copies, and certify in writing to MDCPS that such has been returned to MDCPS or disposed of securely. Licensor shall comply with all reasonable directions provided by MDCPS with respect to the return or disposal of PHI and PII.

**9.7** Upon MDCPS' request, to confirm Licensor's compliance with this Agreement, as well as any applicable laws, regulations and industry standards, Licensor grants MDCPS or, upon MDCPS' election, a third party on MDCPS' behalf, permission to perform an assessment, audit, examination or review of all controls in Licensor's physical and/or technical environment in relation to all PHI or PII being handled and/or services being provided to MDCPS pursuant to this Agreement. Licensor shall fully cooperate with such assessment by providing access to knowledgeable personnel, physical premises, Documentation, infrastructure and application software that processes, stores or transports PHI or PII for MDCPS pursuant to this Agreement.

**9.8** It is understood and agreed that at least once per year, Licensor shall conduct site audits of the information technology and information security controls for all facilities used in complying with its obligations under this Agreement, including but not limited to, obtaining a network-level vulnerability assessment performed by a recognized third-party audit firm based on the recognized industry best practices. Licensor shall make the reports available to MDCPS for review. Any exceptions noted on the Statement on Standards for Attestation Engagements (SSAE) report or other audit reports will be promptly addressed with the development and implementation of a corrective action plan by Licensor's management and resolved, at Licensor's sole expense, within thirty (30) calendar days of the audit.

## **ARTICLE 10 EMPLOYMENT STATUS**

**10.1** Licensor shall, during the entire term of this Agreement, be construed to be an independent contractor. Nothing in this Agreement is intended to nor shall be construed to create an employer-employee relationship, or a joint venture relationship.

**10.2** Licensor represents that it is qualified to perform the duties to be performed under this Agreement and that it has, or will secure, if needed, at its own expense, applicable personnel who shall be qualified to perform the duties required under this Agreement. Such personnel shall not

be deemed in any way, directly or indirectly, expressly or by implication, to be employees of Licensee.

**10.3** Any person assigned by Licensor to perform the Services hereunder shall be the employee of Licensor, who shall have the sole right to hire and discharge its employee. Licensee may, however, direct Licensor to replace any of its employees under this Agreement.

Neither Licensor nor employees of Licensor are entitled to state retirement or leave benefits.

#### **ARTICLE 11 BEHAVIOR OF EMPLOYEES/SUBCONTRACTORS**

Licensor will be responsible for the behavior of all its employees and subcontractors while on the premises of any Licensee location. Any employee or subcontractor acting in a manner determined by the administration of that location to be detrimental, abusive or offensive to any of the staff will be asked to leave the premises and may be suspended from further work on the premises. All Licensor employees and subcontractors who will be working at such locations shall be covered by Licensor's comprehensive general liability insurance policy.

#### **ARTICLE 12 MODIFICATION OR RENEGOTIATION**

This Agreement may be modified only by written agreement signed by the parties hereto, and any attempt at oral modification shall be void and of no effect. The parties agree to renegotiate the Agreement if federal and/or state revisions of any applicable laws or regulations make changes in this Agreement necessary.

#### **ARTICLE 13 AUTHORITY, ASSIGNMENT AND SUBCONTRACTS**

Inspection by or disclosure to anyone without an official need to know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee [United States for Federal employees] in an amount equal to the sum of the greater of \$1,000 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. These penalties are prescribed by IRC section 7213A and 7431.
3. Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.
4. Granting a contractor access to FTI must be preceded by certifying that each individual understands the agency's security policy and procedures for safeguarding IRS information. Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed

in the agency's files for review. As part of the certification and at least annually afterwards, contractors should be advised of the provisions of IRC Sections 7431, 7213, and 7213A (see Exhibit 6, *IRC Sec. 7431 Civil Damages for Unauthorized Disclosure of Returns and Return Information* and Exhibit 5, *IRC Sec. 7213 Unauthorized Disclosure of Information*). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. (See Section 10) For both the initial certification and the annual certification, the contractor should sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

### **III. INSPECTION:**

On the basis of such inspection, specific measures may be required in cases where the contractor is found to be noncompliant with contract safeguards.
