Regarding Information Technology Services (ITS) Sole Source Certification Number 4314 for Classroom Assessment Scoring System (CLASS<sup>®</sup>) subscription services for the Mississippi Department of Education (MDE), please be advised that no objections were received, and the award will be made to Teachstone, Inc. through June 30, 2023, in an amount not-to-exceed \$116,765.00.

While Sole Source Certification Number 4314 was advertised to certify Teachstone Training, LLC as the sole source provider for CLASS<sup>®</sup>, it was determined that Teachstone Training LLC was converted to Teachstone, Inc. effective March 17, 2020. ITS has determined that a recertification is not necessary. Please be advised that ITS will determine if additional training or licenses are within scope during the certification period and may increase the spending authority accordingly.
