MASTER CABLING AGREEMENT  
BETWEEN  
INSERT VENDOR NAME  
AND  
MISSISSIPPI DEPARTMENT OF INFORMATION TECHNOLOGY SERVICES  
AS CONTRACTING AGENT FOR THE  
AGENCIES AND INSTITUTIONS OF THE STATE OF MISSISSIPPI**

This Master Cabling Agreement (hereinafter referred to as “Master Agreement”) is entered into by and between **INSERT VENDOR NAME**, a **INSERT STATE OF INCORPORATION** corporation having its principal place of business at **INSERT VENDOR STREET ADDRESS** (hereinafter referred to as “Contractor”), and Mississippi Department of Information Technology Services having its principal place of business at 3771 Eastwood Drive, Jackson, Mississippi 39211 (hereinafter referred to as “ITS”), as contracting agent for the agencies and institutions of the State of Mississippi (hereinafter referred to as “Customer”). ITS and Customer are sometimes collectively referred to herein as “State”.

**WHEREAS**, the State, pursuant to Request for Proposals (“RFP”) Number 4342, requested proposals for the acquisition of a Master Cabling Agreement containing the terms and conditions which will govern any orders placed by the Customer with the Contractor during the term of this Master Agreement for inside and/or outside communications cabling projects;

**WHEREAS**, the Contractor was a successful respondent in an open, fair and competitive procurement process; and

**NOW THEREFORE**, in consideration of the mutual understandings, promises, consideration and agreements set forth, the parties hereto agree as follows:

**ARTICLE 1 TERM OF AGREEMENT**

Unless terminated as prescribed elsewhere herein, this Master Agreement will become effective on the date it is signed by all parties (the “Effective Date”) and will continue in effect through close of business November 30, 2025, or until all warranties provided by Contractor to Customer have expired, whichever occurs last (“Initial Term”). At the end of the Initial Term, the Master Agreement may, upon the written agreement of the parties, be renewed for additional terms, the length of which will be agreed upon by the parties. Sixty (60) days prior to the expiration of the Initial Term or any renewal term of this Master Agreement, Contractor shall notify ITS in writing of the impending expiration and thereafter ITS shall notify Contractor of its intent to either renew or cancel the Master Agreement.

**ARTICLE 2 MODIFICATION OR RENEGOTIATION**

This Master Agreement may be modified only by written agreement signed by the parties hereto, and any attempt at oral modification shall be void and of no effect. The parties agree to renegotiate the Master Agreement if federal and/or state revisions of any applicable laws or regulations make changes in this Master Agreement necessary.

**ARTICLE 3 INCLUDED PARTIES**

Contractor will accept orders from and furnish the cabling equipment and services under this Master Agreement to any governmental agency, institution, or governing authority within

Mississippi, at prices not to exceed those specified in Contractor's proposal in response to any Letters of Configuration or Express Products Lists.

#### **ARTICLE 4 ADDITIONAL TERMS AND CONDITIONS**

All provisions in this Master Agreement are in addition to the requirements of RFP No. 4342, the underlying Letter of Configuration ("LOC"), if any, and Contractor's Proposals in response thereto, which are all incorporated into and made a part of this Master Agreement.

#### **ARTICLE 5 ORDERS**

**5.1** The State does not guarantee that it will procure any cabling products or services under this Master Agreement.

**5.2** When a Customer decides to procure any cabling products and/or services from Contractor, the Customer shall execute a supplement/purchase order to be signed by Contractor and ITS for Customers using the General Request for Proposal Process and a supplement/purchase order to be signed by Contractor and an authorized representative of the Customer for Customers using the Express Products List ("EPL") Process. The supplement/purchase order shall set forth the cabling equipment/products and services to be procured; the prices for same; any warranty period, the specific details of the transaction, and any additional terms and conditions agreed to by the parties. All supplements/purchase orders shall be governed by, and incorporate by reference, the terms and conditions of this Master Agreement. Excluding better pricing and/or discounts which may be specified in a supplement/purchase order, in the event of a conflict between the other terms and conditions in the supplement/purchase order and this Master Agreement, the terms and conditions of this Master Agreement shall prevail. The parties agree that the Customer has the right to adjust the quantities of purchases based upon the availability of funding or as determined necessary by the Customer.

**5.3** Contractor guarantees the best pricing for each procurement of equipment and services for the life of this Master Agreement. In the event there is a national price decrease of the equipment proposed during that time, Contractor agrees to extend the new, lower pricing to Customer.

**5.4** This Master Agreement is not a "state contract" and should not be construed by any party to operate in any manner except as an awarded contract for Customers using the General Request for Proposal Process or the EPL Process as defined under RFP No. 4342. This Master Agreement may not be referenced by Contractor as a vehicle to market products or issue quotations in lieu of the procurement process. Further, nothing in this Master Agreement should be taken to infer or to express that this Master Agreement may be substituted or used in lieu of a formal procurement process.

#### **ARTICLE 6 METHOD OF PAYMENT**

**6.1** Once the cabling system has been successfully installed by the Contractor and accepted by Customer as prescribed in Article 7 herein, Contractor shall submit an invoice for the cost and shall certify that the billing is true and correct. Contractor shall submit invoices and supporting documentation to Customer electronically during the term of this Master Agreement using the processes and procedures identified by the State. Customer agrees to pay Contractor in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies", Sections 31-7-301, et seq. of the 1972 Mississippi Code Annotated, as amended, which generally provides for payment of undisputed amounts by the State within forty-five (45) days of receipt of the invoice. All payments shall be in United States currency. Payments by state agencies using Mississippi's

Accountability System for Government Information and Collaboration (“MAGIC”) shall be made and remittance information provided electronically as directed by the State. The payments by these agencies shall be deposited into the bank account of the Contractor’s choice. Contractor understands and agrees that Customer is exempt from the payment of taxes. No payment, including final payment, shall be construed as acceptance of defective equipment or incomplete work and Contractor shall remain responsible and liable for full performance in strict compliance with the contract documents specified in Article 36 herein.

**6.2** Acceptance by the Contractor of the last payment from the Customer under a supplement/purchase order shall operate as a release of all claims against the State by the Contractor and any subcontractors or other persons supplying labor or materials used in the performance of any work under a supplement/purchase order.

## **ARTICLE 7 DELIVERY, RISK OF LOSS, INSTALLATION, AND ACCEPTANCE**

**7.1** Contractor shall deliver the equipment to the location specified by Customer and pursuant to the delivery schedule set forth by Customer. When applicable, Contractor shall only furnish new equipment in accordance with the RFP 4342 and/or LOC specifications, unless otherwise agreed to in writing and/or specified.

**7.2** Contractor shall assume and shall bear the entire risk of loss and damage to the equipment from any cause whatsoever while in transit and at all times throughout its possession thereof.

**7.3** Contractor shall complete installation of the cabling equipment pursuant to the requirements of the LOC, if any, referred to in the supplement/purchase order, or as may otherwise be agreed to by the parties.

**7.4** Contractor shall be responsible for installing all cabling equipment and materials in accordance with all applicable city, state and federal construction standards and practices associated with the installation of communications cabling systems.

**7.5** Contractor warrants that all equipment shall be properly delivered, installed and integrated, if necessary, for acceptance testing within the scheduling deadlines set forth by Customer as the site is deemed ready for installation. Contractor shall provide Customer with an installation schedule identifying the date, time and location within the scheduling deadlines agreed to by the parties.

**7.6** Unless a different acceptance period is specified in the underlying LOC, if any, Customer shall accept the cabling system provided by Contractor after a thirty (30) calendar day testing period utilizing testing criteria developed by the Contractor and the Customer. During the acceptance period, Customer shall have the opportunity to evaluate and test the cabling system to confirm that: (a) the quality of materials used are consistent with published specifications for such materials; (b) it performs without any defects; (c) it performs pursuant to the specifications set forth in the underlying LOC, if any, and (d) the system test results meet or exceed accepted industry standards. Customer shall notify Contractor in writing of its acceptance of the cabling system.

**7.7** In the event the system fails to perform as stated in Article 7.6 herein, Customer shall notify Contractor. Unless a different period of time is specified in the underlying LOC, if any, Contractor shall, within five (5) working days, correct the defects identified by Customer or replace

the defective equipment. Customer reserves the right to return the equipment to Contractor at the Contractor's expense and to cancel the supplement/purchase order.

## **ARTICLE 8 TITLE TO EQUIPMENT**

Title to the equipment provided under this Master Agreement shall pass to Customer upon its acceptance of the system.

## **ARTICLE 9 SCOPE OF SERVICES**

**9.1** Contractor agrees to provide Customer with the cabling materials and services pursuant to the requirements set forth in the underlying LOC and Contractor's Proposal in response thereto if Customer is using the General RFP Process, or as may otherwise be agreed upon by the parties for Customers using the EPL Process.

**9.2** Contractor agrees to adhere to the installation, testing and acceptance specifications, requirements and standards as set forth in the underlying LOC if Customer is using the General RFP Process, or as may otherwise be agreed upon by the parties for Customers using the EPL Process.

**9.3** Contractor agrees that Customer reserves the right to increase or reduce the scope of the project without affecting the per unit pricing proposed.

**9.4** It is understood by the Contractor that its failure to propose all equipment/materials necessary for the project, will result in Contractor providing the additional items at Contractor's own expense.

**9.5** Contractor agrees to store all materials in a safe place as designated by Customer and to adhere to all safety and construction guidelines and/or O.S.H.A. safety requirements.

**9.6** Upon completion of the work, Contractor agrees to remove from the premises all construction equipment and debris resulting from the work and leave all parts of the premises affected by the work clean. Further, Contractor agrees that it will be responsible for any structural damage to the buildings and grounds caused by its work operations for the duration of the warranty period of the system and that it will be responsible for replacing, restoring or bringing to at least original condition any damage to floors, ceilings, walls, furniture, grounds, pavements, sidewalks, and the like, caused by its personnel and operations, subject to the final approval of Customer. Contractor shall employ workers with the specific skills required to make needed repairs and shall use the identical type and quality of materials originally used to construct any property damaged by Contractor.

**9.7** It is understood and agreed that any loss of utility service; damage to existing buried utilities, or other damage caused by the Contractor's work operations shall be compensated by the Contractor.

**9.8** Contractor agrees that all work performed and materials installed under this Master Agreement which in ITS' opinion is not properly coordinated, causes interferences or deviates from installation standards without ITS' permission, shall be altered/corrected at the Contractor's expense.

**9.9** Contractor agrees to adhere to all of the specifications, requirements and standards as set forth in RFP No. 4342.

## **ARTICLE 10 BEHAVIOR OF EMPLOYEES/SUBCONTRACTORS**

Contractor will be responsible for the behavior of all its employees and subcontractors while on the premises of any Customer location. Any employee or subcontractor acting in a manner determined by the administration of that location to be detrimental, abusive or offensive to any of the staff and/or student body, will be asked to leave the premises and may be suspended from further work on the premises. All Contractor employees and subcontractors who will be working at such locations to install or repair equipment shall be covered by Contractor's comprehensive general liability insurance policy.

## **ARTICLE 11 PAYMENT BOND AND PERFORMANCE BOND**

**11.1** As a condition precedent to the formation of the agreement between Contractor and Customer, the Contractor shall provide a payment bond as herein described. To secure the prompt payment of all persons supplying labor or materials used in the performance of work under any underlying LOC, the Contractor shall procure, submit to the State with the executed supplement/purchase order, and maintain in effect at all times during the course of its work under the underlying LOC, a payment bond in the total amount of the contract amount. The bond shall be made by a surety company which is authorized to do business in the State of Mississippi and listed on the United States Treasury Department's list of acceptable sureties. The bond shall be accompanied by a duly authenticated or certified document identifying the name and address of the person or entity holding the payment bond, and identifying a contact person to be notified in the event action against the bond is necessary. The term of the payment bond shall be concurrent with the term of the supplement/purchase order and shall not be released to Contractor until all services required under same have been completed and accepted by Customer, and all persons supplying labor or materials in the performance of work under the supplement/purchase order have been paid in full by the Contractor. The payment bond shall be procured at Contractor's expense and be payable to the Customer. Prior to approval of the payment bond, the State reserves the right to review the bond and require Contractor to substitute an acceptable bond in such form as the State may reasonably require. The premiums on such bond shall be paid by Contractor. The bond must specifically refer to the underlying LOC, and supplement/purchase order and shall bind the surety to all of the terms and conditions of same and of this Master Agreement.

**11.2** As a condition precedent to the formation of the agreement between Contractor and Customer, the Contractor shall provide a performance bond as herein described. To secure the Contractor's performance under any underlying LOC, the Contractor shall procure, submit to the State with the executed supplement/purchase order, and maintain in effect at all times during the course of its work under the underlying LOC a performance bond in the total amount of the executed supplement/purchase order. The bond shall be made by a surety company which is authorized to do business in the State of Mississippi and listed on the United States Treasury Department's list of acceptable sureties. The bond shall be accompanied by a duly authenticated or certified document identifying the name and address of the person or entity holding the performance bond, and identifying a contact person to be notified in the event action against the bond is necessary. The term of the performance bond shall be concurrent with the term of the supplement/purchase order and shall not be released to Contractor until all services required under same have been completed and accepted by Customer. The performance bond shall be procured at Contractor's expense and be payable to the Customer. Prior to approval of the performance bond, the State reserves the right to review the bond and require Contractor to substitute an acceptable bond in such form as the State may reasonably require. The premiums on such bond shall be paid by Contractor. The bond must specifically refer to the underlying LOC

and supplement/purchase order and shall bind the surety to all of the terms and conditions of same and of this Master Agreement. If the supplement/purchase order is terminated due to Contractor's failure to comply with the terms thereof, Customer may claim against the performance bond.

## **ARTICLE 12 WARRANTIES**

**12.1** Contractor represents and warrants that it has the right to sell the equipment/products provided under this Master Agreement.

**12.2** Contractor represents and warrants that Customer shall acquire good and clear title to the equipment/products provided hereunder, free and clear of all liens and encumbrances.

**12.3** Contractor represents and warrants that each unit of equipment delivered shall be delivered new and not as a "used, substituted, rebuilt, refurbished or reinstalled" equipment.

**12.4** Contractor represents and warrants that it has and will obtain and pass through to Customer any and all warranties obtained or available from the manufacturer of the equipment/products supplied to Contractor.

**12.5** Contractor represents and warrants that all equipment/products provided pursuant to this Master Agreement shall, for a period of twelve (12) months unless a longer warranty period is specified in the supplement/purchase order or in the Contractor's Proposal in response to the underlying LOC, if any, be free from defects in material, manufacture, design and workmanship. Contractor's obligation pursuant to this warranty shall include, but not be limited to, providing on-site warranty service including materials and labor to correct any defect or non-conformity in the cabling system. In the event Contractor cannot repair or replace an item of equipment during the warranty period, Contractor shall refund the purchase price of the defective or non-conforming product, and Customer shall have the right to terminate the supplement/purchase order and this Master Agreement in whole or in part, solely as between those two parties. Customer's rights hereunder are in addition to any other rights Customer may have.

**12.6** Contractor represents and warrants that all equipment/products and services provided by Contractor shall meet or exceed the minimum specifications set forth in RFP No. 4342 and the underlying LOC, if any, and Contractor's Proposal in response thereto, which are referenced in the supplement/purchase order.

**12.7** Unless a longer warranty period is specified in the supplement/purchase order, the underlying LOC, if any, or in the Contractor's Proposal in response to the underlying LOC, Contractor represents and warrants, for a period of twelve (12) months after acceptance by Customer of the installed system, that all work hereunder has been performed in a good and workmanlike manner and consistent with generally accepted industry standards. For any breach of this warranty, Contractor shall perform the services again, at no cost to Customer, or if Contractor is unable to perform the services as warranted, Contractor shall reimburse Customer the fees paid to Contractor for the unsatisfactory services.

**12.8** Contractor represents and warrants that the cabling system is fit for the particular purpose set forth in the underlying LOC if any.

**12.9** Contractor represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act, Section 71-11-1, et seq. of the Mississippi Code Annotated

(Supp2008), and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance and, upon request of the State and approval of the Social Security Administration or Department of Homeland Security where required, to provide a copy of each such verification to the State. Contractor further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Contractor understands and agrees that any breach of these warranties may subject Contractor to the following: (a) termination of the supplement/purchase order and this Master Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Contractor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

**12.10** Contractor represents and warrants that no official or employee of Customer or of ITS, and no other public official of the State of Mississippi who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the project shall, prior to the completion of said project, voluntarily acquire any personal interest, direct or indirect, in the supplement/purchase order or this Master Agreement. The Contractor warrants that it has removed any material conflict of interest prior to the signing of this Master Agreement, and that it shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its responsibilities under this Master Agreement. The Contractor also warrants that in the performance of this Master Agreement no person having any such known interests shall be employed.

**12.11** Contractor represents and warrants that no elected or appointed officer or other employee of the State of Mississippi, nor any member of or delegate to Congress has or shall benefit financially or materially from this Master Agreement. No individual employed by the State of Mississippi shall be admitted to any share or part of the Master Agreement or to any benefit that may arise therefrom. The State of Mississippi may, by written notice to the Contractor, terminate the right of the Contractor to proceed under this Master Agreement if it is found, after notice and hearing by the ITS Executive Director or his/her designee, that gratuities in the form of entertainment, gifts, jobs, or otherwise were offered or given by the Contractor to any officer or employee of the State of Mississippi with a view toward securing this Master Agreement or securing favorable treatment with respect to the award, or amending or making of any determinations with respect to the performing of such contract, provided that the existence of the facts upon which the ITS Executive Director makes such findings shall be in issue and may be reviewed in any competent court. In the event this Master Agreement is terminated under this article, the State of Mississippi shall be entitled to pursue the same remedies against the Contractor as it would pursue in the event of a breach of contract by the Contractor, including punitive damages, in addition to any other damages to which it may be entitled at law or in equity.

**12.12** Contractor understands and agrees that some, all or none of the purchases made under this EPL Agreement may be funded by the American Recovery and Reinvestment Act of 2009

(hereinafter referred to as “ARRA”) and, as such, represents and warrants that for any ARRA purchases, it will comply with the requirements of ARRA as set forth in Exhibit A, which is attached hereto and incorporated herein by reference and will maintain adequate records to verify its full compliance with those requirements.

### **ARTICLE 13 INFRINGEMENT INDEMNIFICATION**

Contractor represents and warrants that neither the equipment/products, replacement parts, their elements nor the use thereof violates or infringes on any copyright, patent, trade secret or other proprietary right of any person or entity. Customer shall notify Contractor promptly of any infringement claim of which it has knowledge, and shall cooperate with Contractor in the defense of such claim by supplying information, all at Contractor’s expense. Contractor, at its own expense, shall defend or settle any and all infringement actions filed against Contractor or Customer which involve the items provided under this Master Agreement and shall pay all costs, attorney fees, damages and judgment finally awarded against Customer. If, in any such suit arising from such claim, the continued use of the items for the purpose intended is enjoined or threatened to be enjoined by any court of competent jurisdiction, Contractor shall, at its expense: (a) first procure for Customer the right to continue using such items, or upon failing to procure such right, (b) replace or modify them with non-infringing items, or upon failing to secure either such right, (c) refund to Customer the purchase price previously paid by Customer for the materials Customer may no longer use. Said refund shall be paid within ten (10) working days of notice to Customer to discontinue said use.

### **ARTICLE 14 EMPLOYMENT STATUS**

**14.1** Contractor shall, during the entire term of this Master Agreement, be construed to be an independent contractor. Nothing in this Master Agreement is intended to nor shall it be construed to create an employer-employee relationship or a joint venture relationship.

**14.2** Contractor represents that it is qualified to perform the duties to be performed under this Master Agreement and that it has, or will secure, if needed, at its own expense, applicable personnel who shall be qualified to perform the duties required under this Master Agreement. Such personnel shall not be deemed in any way directly or indirectly, expressly or by implication, to be employees of Customer. Contractor shall pay when due, all salaries and wages of its employees and it accepts exclusive responsibility for the payment of federal income tax, state income tax, social security, unemployment compensation and any other withholdings that may be required. Neither Contractor nor employees of Contractor are entitled to state retirement or leave benefits.

**14.3** Any person assigned by Contractor to perform the services hereunder shall be the employee or subcontractor of Contractor, who shall have the sole right to hire and discharge its employee/subcontractor. Customer may, however, direct Contractor to replace any of its employees/subcontractors under this Master Agreement.

### **ARTICLE 15 AUTHORITY, ASSIGNMENT AND SUBCONTRACTS**

**15.1** In matters of proposals, negotiations, contracts, and resolution of issues and/or disputes, the parties agree that Contractor represents all contractors, third parties, and/or subcontractors Contractor has assembled for the project. The Customer is only required to negotiate with Contractor, as Contractor’s commitments are binding on all proposed contractors, third parties, and subcontractors.

**15.2** Neither party may assign or otherwise transfer the supplement/purchase order and/or this

Master Agreement or its obligations hereunder without the prior written consent of the other party, which consent shall not be unreasonably withheld. Any attempted assignment or transfer of its obligations without such consent shall be null and void. The supplement/purchase order and this Master Agreement shall be binding upon the parties' respective successors and assigns.

**15.3** Contractor must obtain the written approval of Customer before subcontracting any portion of the supplement/purchase order and this Master Agreement. No such approval by Customer of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of Customer in addition to the total fixed price agreed upon in the supplement/purchase order. All subcontracts shall incorporate the terms of the supplement/purchase order and this Master Agreement and shall be subject to the terms and conditions of same and to any conditions of approval that Customer may deem necessary.

**15.4** Contractor represents and warrants that any subcontract agreement Contractor enters into shall contain a provision advising the subcontractor that the subcontractor shall have no lien and no legal right to assert control over any funds held by the Customer, and that the subcontractor acknowledges that no privity of contract exists between the Customer and the subcontractor and that the Contractor is solely liable for any and all payments which may be due to the subcontractor pursuant to its subcontract agreement with the Contractor. The Contractor shall indemnify and hold harmless the State from and against any and all claims, demands, liabilities, suits, actions, damages, losses, costs and expenses of every kind and nature whatsoever arising as a result of Contractor's failure to pay any and all amounts due by Contractor to any subcontractor, materialman, laborer or the like.

**15.5** All subcontractors shall be bound by any negotiation, arbitration, appeal, adjudication or settlement of any dispute between the Contractor and the Customer, where such dispute affects the subcontract.

## **ARTICLE 16 AVAILABILITY OF FUNDS**

It is expressly understood and agreed that the obligation of Customer to proceed under this Master Agreement and the supplement/purchase order is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds for the performances required under this Master Agreement. If the funds anticipated for the fulfillment of this Master Agreement and the supplement/purchase order are not forthcoming, or are insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds, or if there is a discontinuance or material alteration of the program under which funds were available to Customer for the payments or performance due under this Master Agreement, Customer shall have the right to immediately terminate the supplement/purchase order and this Master Agreement as to itself only, without damage, penalty, cost or expense to Customer of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination. Customer shall have the sole right to determine whether funds are available for the payments or performances due under the supplement/purchase order and this Master Agreement. Any payment due Contractor for services rendered by Contractor prior to termination and received by Customer shall be paid.

## **ARTICLE 17 TERMINATION**

**17.1 Termination Upon Mutual Agreement:** A supplement and/or purchase order may be terminated in whole or in part upon the mutual written agreement of Contractor and the Customer.

**17.2 Termination Due To Bankruptcy:** Should Contractor become the subject of bankruptcy

or receivership proceedings, whether voluntary or involuntary, or execute an assignment for the benefit of its creditors, the Customer may, upon the giving of thirty (30) days prior written notice, terminate a supplement and/or purchase order and this Master Agreement without the assessment of any penalties, solely as between those two parties.

**17.3 Termination Other Than For Cause:** A Customer may terminate a supplement and/or purchase order and this Master Agreement as to itself only, in whole or in part and without the assessment of any penalties, for any reason by giving thirty (30) calendar days written notice specifying the effective date thereof to Contractor. Any payment due Contractor for services rendered by Contractor prior to termination and received by Customer shall be paid.

**17.4 Termination For Cause:** Either Customer or Contractor may terminate a supplement and/or purchase order and this Master Agreement solely as between themselves and without the assessment of any penalties upon a material breach by the other party upon thirty (30) calendar days prior written notice unless the defaulting party cures such breach within such thirty (30) calendar-day period. The non-defaulting party may also pursue any remedy available to it in law or in equity.

**17.5 Termination of Master Agreement:** ITS may terminate this Master Agreement for any reason without the assessment of any penalties after giving thirty (30) calendar days written notice specifying the effective date thereof to Contractor, but any supplement and/or purchase order entered into prior to the termination date of this Master Agreement shall survive the termination of the Master Agreement. The terms of this Master Agreement shall survive its termination/expiration with respect to any un-expired supplements/purchase orders.

**17.6 Refund Of Unexpended Fees:** Upon termination of a supplement and/or purchase order, Contractor shall refund any and all applicable unexpended pro-rated maintenance/service or other fees previously paid by the Customer.

## **ARTICLE 18 GOVERNING LAW**

This Master Agreement and each supplement/purchase order shall be construed and governed in accordance with the laws of the State of Mississippi and venue for the resolution of any dispute shall be Jackson, Hinds County, Mississippi. Contractor submits to the jurisdiction of the appropriate state or federal court in Mississippi. Contractor expressly agrees that under no circumstances shall Customer or ITS be obligated to pay an attorneys fee, prejudgment interest or the cost of legal action to Contractor. Further, nothing in this Master Agreement shall affect any statutory rights Customer may have that cannot be waived or limited by contract.

## **ARTICLE 19 WAIVER**

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this Master Agreement. A waiver by the State, to be effective, must be in writing, must set out the specifics of what is being waived, and must be signed by an authorized representative of the State.

## **ARTICLE 20 SEVERABILITY**

If any term or provision of this Master Agreement is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this Master Agreement shall be valid and enforceable to the fullest extent permitted by law provided

that the State's purpose for entering into this Master Agreement can be fully achieved by the remaining portions of the Master Agreement that have not been severed.

#### **ARTICLE 21 CAPTIONS**

The captions or headings in this Master Agreement are for convenience only, and in no way define, limit or describe the scope or intent of any provision or section of this Master Agreement.

#### **ARTICLE 22 HOLD HARMLESS**

To the fullest extent allowed by law, Contractor shall indemnify, defend, save and hold harmless, protect and exonerate Customer, ITS and the State, its Board Members, officers, employees, agents and representatives from and against any and all claims, demands, liabilities, suits, actions, damages, losses, costs and expenses of every kind and nature whatsoever, including without limitation, court costs, investigative fees and expenses, attorney fees and claims for damages arising out of or caused by the negligence or intentional misconduct of Contractor and/or its partners, principals, agents, employees or subcontractors in the performance of or failure to perform the supplement/purchase order and this Master Agreement. The parties understand and agree that Customer cannot agree to indemnify Contractor or any third party.

#### **ARTICLE 23 THIRD PARTY ACTION NOTIFICATION**

Contractor shall notify Customer in writing within five (5) business days of Contractor filing bankruptcy, reorganization, liquidation or receivership proceedings or within five (5) business days of its receipt of notification of any action or suit being filed or any claim being made against Contractor or Customer by any entity that may result in litigation related in any way to the supplement/purchase order or this Master Agreement and/or which may affect the Contractor's performance under the supplement/purchase order or this Master Agreement. Failure of the Contractor to provide such written notice to Customer shall be considered a material breach of the supplement/purchase order and this Master Agreement and the Customer may, at its sole discretion, pursue its rights as set forth in the Termination Article herein and any other rights and remedies it may have at law or in equity.

#### **ARTICLE 24 AUTHORITY TO CONTRACT**

Contractor warrants that it is a validly organized business with valid authority to enter into this Master Agreement; that entry into and performance under this Master Agreement is not restricted or prohibited by any loan, security, financing, contractual or other agreement of any kind, and notwithstanding any other provision of this Master Agreement to the contrary, that there are no existing legal proceedings, or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this Master Agreement.

#### **ARTICLE 25 NOTICE**

Any notice required or permitted to be given under this Master Agreement shall be in writing and personally delivered or sent by electronic means provided that the original of such notice is sent by certified United States mail, postage prepaid, return receipt requested, or overnight courier with signed receipt, to the party to whom the notice should be given at their usual business address. Notice shall be deemed given when actually received or when refused. The parties agree to promptly notify each other in writing of any change of address.

#### **ARTICLE 26 RECORD RETENTION AND ACCESS TO RECORDS**

Contractor shall establish and maintain financial records, supporting documents, statistical records and such other records as may be necessary to reflect its performance of the provisions of this Master Agreement and the supplement/purchase order. The Customer, ITS, any state or

federal agency authorized to audit Customer, and/or any of their duly authorized representatives, shall have unimpeded, prompt access to this Master Agreement and to any of the Contractor's proposals, books, documents, papers and/or records that are pertinent to this Master Agreement to make audits, copies, examinations, excerpts and transcriptions at the State's or Contractor's office as applicable where such records are kept during normal business hours. All records relating to this Master Agreement and the supplement/purchase order shall be retained by the Contractor for three (3) years from the date of receipt of final payment under this Master Agreement and the supplement/purchase order. However, if any litigation or other legal action, by or for the state or federal government has begun that is not completed at the end of the three (3) year period, or if an audit finding, litigation or other legal action has not been resolved at the end of the three (3) year period, the records shall be retained until resolution.

## **ARTICLE 27 INSURANCE**

Contractor represents that it will maintain workers' compensation insurance as prescribed by law which shall inure to the benefit of Contractor's personnel, as well as comprehensive general liability and employee fidelity bond insurance. ## EXHIBIT A

### Reporting and Registration Requirements Under Section 1512 of the American Recovery and Reinvestment Act of 2009.

The recipient\* agrees to the following reporting and registration requirements of Section 1512 of the American Recovery and Reinvestment Act and in accordance with 2 CFR § 176.50, if applicable:

(a) This award requires the recipient to complete projects or activities which are funded under the American Recovery and Reinvestment Act of 2009 (Recovery Act) and to report on use of Recovery Act funds provided through this award. Information from these reports will be made available to the public.

(b) The reports are due no later than ten calendar days after each calendar quarter in which the recipient receives the assistance award funded in whole or in part by the Recovery Act.

(c) Recipients and their first tier recipients must maintain current registrations in the System for Award Management (SAM) (<https://www.sam.gov>) at all times during which they have active federal awards funded with Recovery Act funds. SAM is the official U.S. Government system that consolidated the capabilities of the Central Contractor Registration (CCR) and other vendor registration systems. A Dun and Bradstreet Data Universal Numbering System (DUNS) Number (<http://www.dnb.com>) is one of the requirements for registration in the System for Award Management.

(d) The recipient shall report the information described in section 1512(c) of the Recovery Act using the reporting instructions and data elements that will be provided online at <http://www.FederalReporting.gov> and ensure that any information that is pre-filled is corrected or updated as needed.

(e) The contractor shall ensure that all subcontracts and other contracts for goods and services for an ARRA-funded project have the mandated provisions of this directive in their contracts. Pursuant to title XV, Section 1512 of the ARRA, the State shall require that the contractor provide reports and other employment information as evidence to document the number of jobs created or jobs retained by this contract from the contractor's own workforce and any sub-contractors. No direct payment will be made for providing said reports, as the cost for same shall be included in the various items in the contract.

\*As used here and hereafter, recipient means "any entity other than an individual that receives Recovery Act funds in the form of a grant, cooperative agreement or loan directly from the Federal Government." 2 CFR § 176.30.

**Required Use of American Iron, Steel, and Manufactured Goods Not Covered Under International Agreements Under Section 1605 of the American Recovery and Reinvestment Act of 2009.**

The recipient agrees to the following required use of American Iron, Steel, and Manufactured Goods of Section 1605 of the American Recovery and Reinvestment Act and in accordance with 2 CFR §176.140 when awarding Recovery Act funds for construction, alteration, maintenance, or repair of a public building or public work that does not involve iron, steel, and/or manufactured goods covered under international agreements, if applicable:

(a) *Definitions.* As used in this award term and condition—

(1) *Manufactured good* means a good brought to the construction site for incorporation into the building or work that has been—

- (i) Processed into a specific form and shape; or
- (ii) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

(2) *Public building and public work* means a public building of, and a public work of, a governmental entity (the United States; the District of Columbia; commonwealths, territories, and minor outlying islands of the United States; State and local governments; and multiState, regional, or interstate entities which have governmental functions). These buildings and works may include, without limitation, bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, power lines, pumping stations, heavy generators, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, and canals, and the construction, alteration, maintenance, or repair of such buildings and works.

(3) *Steel* means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

(b) *Domestic preference.*

(1) This award term and condition implements Section 1605 of the American Recovery and Reinvestment Act of 2009 (Recovery Act) (Pub. L. 111–5), by requiring that all iron, steel, and manufactured goods used in the project are produced in the United States except as provided in paragraph (b)(3) and (b)(4) of this section and

condition.

(2) This requirement does not apply to the material listed by the Federal Government as follows:

[Award official to list applicable excepted materials or indicate “none”]

(3) The award official may add other iron, steel, and/or manufactured goods to the list in paragraph (b)(2) of this section and condition if the Federal Government determines that—

(i) The cost of the domestic iron, steel, and/or manufactured goods would be unreasonable. The cost of domestic iron, steel, or manufactured goods used in the project is unreasonable when the cumulative cost of such material will increase the cost of the overall project by more than 25 percent;

(ii) The iron, steel, and/or manufactured good is not produced, or manufactured in the United

States in sufficient and reasonably available quantities and of a satisfactory quality; or

(iii) The application of the restriction of section 1605 of the Recovery Act would be inconsistent with the public interest.

(c) *Request for determination of inapplicability of Section 1605 of the Recovery Act.*

(1)(i) Any recipient request to use foreign iron, steel, and/or manufactured goods in accordance with paragraph (b)(3) of this section shall include adequate information for Federal Government evaluation of the request, including—

(A) A description of the foreign and domestic iron, steel, and/or manufactured goods;

(B) Unit of measure;

(E) Time of delivery or availability;

(F) Location of the project;

(G) Name and address of the proposed supplier; and

(H) A detailed justification of the reason for use of foreign iron, steel, and/or manufactured goods cited in accordance with paragraph (b)(3) of this section.

(ii) A request based on unreasonable cost shall include a reasonable survey of the market and a completed cost comparison table in the format in paragraph (d) of this section.

(iii) The cost of iron, steel, and/or manufactured goods material shall include all delivery costs to the construction site and any applicable duty.

(iv) Any recipient request for a determination submitted after Recovery Act funds have been obligated for a project for construction, alteration, maintenance, or repair shall explain why the recipient could not reasonably foresee the need for such determination and could not have requested the determination before the funds were obligated. If the recipient does not submit a satisfactory explanation, the award official need not make a determination.

(2) If the Federal Government determines after funds have been obligated for a project for construction, alteration, maintenance, or repair that an exception to section 1605 of the Recovery Act applies, the award official will amend the award to allow use of the foreign iron, steel, and/or relevant manufactured goods. When the basis for the exception is nonavailability or public interest, the amended award shall reflect

adjustment of the award amount, redistribution of budgeted funds, and/or other actions taken to cover costs associated with acquiring or using the foreign iron, steel, and/or relevant manufactured goods. When the basis for the exception is the unreasonable cost of the domestic iron, steel, or manufactured goods, the award official shall adjust the award amount or redistribute budgeted funds by at least the differential established in 2 CFR 176.110(a).

(3) Unless the Federal Government determines that an exception to section 1605 of the Recovery Act applies, use of foreign iron, steel, and/or manufactured goods is noncompliant with section 1605 of the American Recovery and Reinvestment Act.

(d) *Data.* To permit evaluation of requests under paragraph (b) of this section based on unreasonable cost, the Recipient shall include the following information and any applicable supporting data based on the survey of suppliers:

*The recipient agrees to the following wage rate requirements of Section 1606 of the Recovery and Reinvestment Act and in accordance with 2 CFR §176.190 when issuing announcements or requesting applications for Recovery Act programs or activities that may involve construction, alteration, maintenance, or repair, if applicable:*

When issuing announcements or requesting applications for Recovery Act programs or activities that may involve construction, alteration, maintenance, or repair the agency shall use the award term described in the following paragraphs:

(a) Section 1606 of the Recovery Act requires that all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to the Recovery Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. 3145, the Department of Labor has issued regulations at 29 CFR parts 1, 3, and 5 to implement the Davis-Bacon and related Acts. Regulations in 29 CFR 5.5 instruct agencies concerning application of the standard Davis-Bacon contract clauses set forth in that section. Federal agencies providing grants, cooperative agreements, and loans under the Recovery Act shall ensure that the standard Davis-Bacon contract clauses found in 29 CFR 5.5(a) are incorporated in any resultant covered contracts that are in excess of \$2,000 for construction, alteration or repair (including painting and decorating).

(b) For additional guidance on the wage rate requirements of section 1606, contact your awarding agency. Recipients of grants, cooperative agreements and loans should direct their initial inquiries concerning the application of Davis-Bacon requirements to a particular federally assisted project to the Federal agency funding the project. The Secretary of Labor retains final coverage authority under Reorganization Plan Number 14.

## **Recipient Responsibilities regarding tracking and documenting Expenditures under the American Recovery and Reinvestment Act of 2009.**

*The recipient agrees to the following tracking and documenting responsibilities required by Section 1606 of the Recovery and Reinvestment Act and in accordance with 2 CFR §176210, if applicable:*

(a) To maximize the transparency and accountability of funds authorized under the American Recovery and Reinvestment Act of 2009 (Pub. L. 111– 5) (Recovery Act) as required by Congress and in accordance with 2 CFR 215.21 “Uniform Administrative Requirements for Grants and Agreements” and OMB Circular A–102 Common Rules provisions, recipients agree to maintain records that identify adequately the source and application of Recovery Act funds. OMB Circular A–102 is available at <http://www.whitehouse.gov/omb/circulars/a102/a102.html>.

(b) For recipients covered by the Single Audit Act Amendments of 1996 and OMB Circular A– 133, “Audits of States, Local Governments, and NonProfit Organizations,” recipients agree to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF–SAC) required by OMB Circular A–133. OMB Circular A–133 is available at [http://www.whitehouse.gov/sites/default/files/omb/assets/OMB/circulars/a133\\_compliance/2013/pt6.pdf](http://www.whitehouse.gov/sites/default/files/omb/assets/OMB/circulars/a133_compliance/2013/pt6.pdf). This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF–SAC by CFDA number, and inclusion of the prefix “ARRA” in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF–SAC.

(c) Recipients agree to separately identify to each subrecipient, and document at the time of subaward and at the time of disbursement of funds, the Federal award number, CFDA number, and amount of Recovery Act funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) Recipients agree to require their subrecipients to include on their SEFA information to specifically identify Recovery Act funding similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of ARRA funds as well as oversight by the Federal awarding agencies, Offices of Inspector General and the Government Accountability Office.

### **Requirement to Comply with Provision of Section 902 of the American Recovery and Reinvestment Act of 2009**

Section 902 of the ARRA requires that each contract awarded using ARRA funds must include a provision that provides the U.S. Comptroller General and his representatives with the authority to:

(1) Examine any records of the contractor or any of its subcontractors, or any State or local agency administering such contract, that directly pertain to, and involve transactions relating to, the contract or subcontract; and (2) Interview any officer or employee of the contractor or any of its subcontractors, or of any State or local government agency administering the contract, regarding such transactions.

Accordingly, the Comptroller General and his representatives shall have the authority and rights prescribed under Section 902 of the ARRA with respect to contracts funded with recovery funds made available under the ARRA. Section 902 further states that nothing in 902 shall be interpreted to limit or restrict in any way any existing authority of the Comptroller General.

### **Required Whistleblower Protection Under Section 1553 of the American Recovery and Reinvestment Act of 2009.**

Section 1153 of Division A, Title XV of the American Recovery and Reinvestment Act of 2009, P.L. 111-5, provides protections for certain individuals who make specified disclosures relating to recovery Act funds. The contractor is advised that representatives of the Inspector General have the authority to examine any record and interview any employee or officer of the contractor, its subcontractors or other firms working on this contract. Section 1515(b) further provides that nothing in this section shall be interpreted to limit or restrict in any way any existing authority of an Inspector General.

**Required Provision to Comply with NEPA and NHPA**  
*Construction, Renovation, and Remodeling Projects Only*

ARRA funded projects may be required to comply with the National Environmental Policy Act (NEPA), the National Historic Preservation Act (NHPA), and related statutes, including requirements for plans and projects to be reviewed and documented in accordance with those processes. If the ARRA program from which funds are to be expended requires such language, then NEPA and NHPA requirements may need to be included in contracts or sub-grants. Such language would be dependent on federal oversight agency guidance.

**Requirement to Acknowledge Availability and Use of Funds**

Contractors understand and acknowledge that any and all payment of funds or the continuation thereof is contingent upon funds provided solely by ARRA or required state matching funds. Pursuant to Section 1604 of the ARRA, contractors agree not to undertake or make progress toward any activity using recovery funds that will lead to the development of such activity as casinos or other gambling establishments, aquariums, zoos, golf courses, swimming pools or any other activity specifically prohibited by the Recovery Act.

**Requirement Regarding Federal, State and Local Tax Obligations**

By submission of a proposal, contractors and subcontractors assert and self-certify that all Federal, State and local tax obligations have been or will be satisfied prior to receiving recovery funds.

The respondent represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act (§71-11-3 of the Mississippi Code of 1972, as amended) and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance and, upon request of the State, to provide a copy of each such verification to the State. Contractor further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Contractor understands and agrees that any breach of these warranties may subject contractor to the following:

(a) termination of this Agreement and ineligibility for any State or public contract in Mississippi for up to three (3) years with notice of such cancellation/termination being made public;

(b) the loss of any license, permit, certification, or other document granted to contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year or both.

(c) In the event of such termination/cancellation, contractor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.
