Regarding Information Technology Services (ITS) Sole Source Certification Number 4558 to provide Incarceration Database subscriptions for the Mississippi Division of Medicaid, please be advised that no objections were received before the original November 22, 2023 deadline. Due to contract negotiations taking longer than expected, the award will be made to West Publishing Corporation dba Thomson Reuters, through February 28, 2026, in an amount not to exceed \$567,852.00.

Please be advised that ITS will determine if additional support is within scope during the certification period and may increase the spending authority accordingly. Should West Publishing Corporation dba Thomson Reuters change their name during this certification period, then ITS will determine if a recertification is necessary.
