On July 24th, 2024, ITS released RFP Number 4594 for the acquisition of a Web-Based Licensing System for the Mississippi Department of Insurance. ITS posted two versions of the RFP in PDF and Word formats, however, the posted Word version of the RFP was a draft document and not the finalized RFP. The PDF version that was posted on July 24th was the correct and finalized RFP. ITS is removing the draft Word version and replacing it with the correct, finalized RFP in Word format.
