For any breach of this warranty, Licensor, at its expense, shall, within five (5) working days after receipt of notification of the breach, deliver Products to Licensee that are free of such disabling code or a lockup program or device.

6.5 Licensor represents and warrants that the Software will provide Licensee complete functionality necessary for the operation of the system. Licensor's obligations pursuant to this warranty shall include, but are not limited to, the repair of all defects or the replacement of the Software at the expense of Licensor. In the event Licensor is unable to repair or replace the Software within ten (10) working days after receipt of notice of the defect, Licensee shall be entitled to a full refund of fees paid and shall have the right to terminate this Agreement in whole or in part. Licensee's rights hereunder are in addition to any other rights Licensee may have.

6.8 Licensor represents and warrants that no official or employee of Licensee or of ITS, and no other public official of the State of Mississippi who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the project shall, prior to the completion of said project, voluntarily acquire any personal interest, direct or indirect, in this Agreement. The Licensor warrants that it has removed any material conflict of interest prior to the signing of this Agreement, and that it shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its responsibilities under this Agreement. The Licensor also warrants that in the performance of this Agreement no person having any such known interests shall be employed.

No individual employed by the State of Mississippi shall be admitted to any share or part of the Agreement or to any benefit that may arise therefrom. 9.3 Licensor must obtain the written approval of Licensee before subcontracting any portion of this Agreement. 9.4 Licensor represents and warrants that any subcontract agreement Licensor enters into shall contain a provision advising the subcontractor that the subcontractor shall have no lien and no legal right to assert control over any funds held by the Licensee, that the subcontractor acknowledges that no privity of contract exists between the Licensee and the subcontractor, and that the Licensor is solely liable for any and all payments which may be due to the subcontractor pursuant to its subcontract agreement with the Licensor. The Licensor shall indemnify and hold harmless the State from and against any and all claims, demands, liabilities, suits, actions, damages, losses, costs, and expenses of every kind and nature whatsoever arising as a result of

9.5 All subcontractors shall be bound by any negotiation, arbitration, appeal, adjudication, or settlement of any dispute between the Licensor and the Licensee, where such dispute affects the subcontract.

ARTICLE 10 AVAILABILITY OF FUNDS

It is expressly understood and agreed that the obligation of the Licensee to proceed under this Agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of this Agreement are, at any time, not forthcoming or insufficient through the failure of the federal government to provide funds, the State of Mississippi to appropriate funds, the discontinuance or material alteration of the program under which funds were provided, or if funds are not otherwise available to the Licensee, the Licensee shall have the right to immediately terminate this Agreement without damage, penalty, cost, or expense to the Licensee of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination. In the event of termination, Licensor shall be entitled to receive just and equitable compensation for satisfactory work completed or services rendered by Licensor in connection with this Agreement as of the date of receipt of notification of termination.

Notwithstanding any other provision of this Agreement to the contrary, this Agreement may be terminated in whole or in part as follows: (a) upon the mutual, written agreement of the parties; (b) by Licensee upon thirty (30) days written notice to Licensor without the assessment of any penalties if Licensor becomes the subject of bankruptcy, reorganization, liquidation, or receivership proceedings, whether voluntary or involuntary; (c) by Licensee upon thirty (30) days written notice to Licensor without the assessment of any penalties in the event Licensee determines it is in the best interest of the State of Mississippi to terminate this Agreement; or (d) by either party in the event of a breach of a material term or provision of this Agreement where such breach continues for thirty (30) days after the breaching party receives written notice from the other party. Upon termination, Licensee will be entitled to a refund of applicable unexpended prorated annual Software maintenance fees/charges, if any. In the event of termination, Licensor shall be entitled to receive just and equitable compensation for satisfactory work completed or services rendered by Licensor in connection with this Agreement as of the date of receipt of notification of termination. In no case shall said compensation exceed the total contract price. The provisions of this article do not limit either party's right to pursue any other remedy available at law or in equity.

ARTICLE 12 GOVERNING LAW

This Agreement shall be construed and governed in accordance with the laws of the State of Mississippi, and venue for the resolution of any dispute shall be Jackson, Hinds County, Mississippi. Further, nothing in this Agreement shall affect any statutory rights Licensee may have that cannot be waived or limited by contract.

ARTICLE 13 WAIVER

Failure of either party hereto to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be

a modification of the terms of this Agreement. A waiver by the State, to be effective, must be in writing, must set out the specifics of what is being waived, and must be signed by an authorized representative of the State.

ARTICLE 14 SEVERABILITY

If any term or provision of this Agreement is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this Agreement shall be valid and enforceable to the fullest extent permitted by law, provided that the State's purpose for entering into this Agreement can be fully achieved by the remaining portions of the Agreement that have not been severed.

Failure of the Licensor to provide such written notice to Licensee shall be considered a material breach of this Agreement and the Licensee may, at its sole discretion, pursue its rights as set forth in the Termination Article herein and any other rights and remedies it may have at law or in equity.

ARTICLE 18 AUTHORITY TO CONTRACT

All records relating to this Agreement shall be retained by the Licensor for three (3) years from the date of receipt of final payment under this Agreement. However, if any litigation or other legal action, by or for the state or federal government has begun that is not completed at the end of the three (3) year period, or if an audit finding, litigation or other legal action has not been resolved at the end of the three (3) year period, the records shall be retained until resolution.

Licensor agrees to continue to provide such service, maintenance, and updates as Licensee may contract for and pay for pending the resolution of any dispute hereunder. The decision of the Executive Director shall be reduced to writing and a copy thereof mailed or furnished to the parties. Disagreement with such decision by either party shall not constitute a breach under the terms of this Agreement.
