Regarding Information Technology Services (ITS) Sole Source Certification Number 4670 for COBOL Compiler Monthly License Charge (MLC) software for the Mississippi Department of Information Technology Services (ITS), please be advised that no objections were received, and the award will be made to International Business Machines Corporation (IBM) through June 30, 2025, in an amount not to exceed \$3,954.48. If ITS opts to renew the COBOL Compiler MLC software, this sole source certification shall be valid through June 30, 2028.

Please be advised that ITS will determine if additional maintenance and technical support of the COBOL MLC software applications are within scope during the certification period and may increase the spending authority accordingly. Should International Business Machines Corporation change their name during this certification period, then ITS will determine if a recertification is necessary.
