Regarding Information Technology Services (ITS) Sole Source Certification Number 4693 to provide a Stroke Registry for the Mississippi State Department of Health (MSDH), please be advised that no objections were received and, pending successful contract negotiations, the award will be made to American Heart Association (AHA) through April 30, 2028, in an amount not to exceed \$19,163.00.

Please be advised that ITS will determine if additional enhancements, upgrades, or support is within scope during the certification period and may increase the spending authority accordingly. Should American Heart Association (AHA) change their name during this certification period, then ITS will determine if a recertification is necessary.
