Regarding Information Technology Services (ITS) Sole Source Certification Number 4701 for Trimble Alloy Receivers for the University of Southern Mississippi (USM), please be advised that no objections were received and, pending successful contract negotiations, the award will be made to Navigation Electronics, Inc. through June 30, 2026, in an amount not-to-exceed \$306,000.00. If USM opts to renew Trimble Alloy Receivers, this sole source certification shall be valid until June 30, 2028.

Please be advised that ITS will determine if additional software, upgrades, support, or equipment are within scope during the certification period and may increase spending authority accordingly. Should Navigation Electronics, Inc. change their name during this certification period, then ITS will determine if a recertification is necessary.
