Regarding Information Technology Services (ITS) Sole Source Certification Number 4710 to provide oil and gas production system upgrades for the Mississippi State Oil and Gas Board (MSOGB), please be advised that no objections were received and, pending ITS Board approval and successful contract negotiations, the award will be made to Ground Water Protection Council through June 30, 2028, in an amount not to exceed \$1,032,404.00.

Please be advised that ITS will determine if additional licenses or support are within scope during the certification period and may increase the spending authority accordingly. Should Ground Water Protection Council change their name during this certification period, then ITS will determine if a recertification is necessary.
