Regarding Information Technology Services (ITS) Sole Source Certification Number 4737 to provide auditing paperwork management software maintenance and support for the Mississippi Office of State Auditor (OSA), please be advised that no objections were received, and the award is being made to Wolters Kluwer through January 31, 2027, in an amount not to exceed \$69,936.70. If OSA opts to renew software support and maintenance, this sole source certification shall be valid through January 31, 2029.

Please be advised that ITS will determine if additional licenses, enhancements, maintenance, and support are within scope during the certification period and may increase the spending authority accordingly. Should Wolters Kluwer change their name during this certification period, then ITS will determine if a recertification is necessary.
